Texas troubadours Shane Barnard and Shane Everett are part of today's exciting modern praise and worship movement. With a sound more likely heard in a coffeehouse than a church house, the singers/songwriters are constantly on the road, performing throughout the country. This Dove Award nominated twosome return with their new worship album Pages. It features "We Love You Jesus." Other hit songs include "Be Near," "When I Think About the Lord" and "You Said." Matt Maher will also perform.
