

About the conference

How will your marriage be remembered?

Life has a way of overwhelming a marriage. You start out fully focused on each other. But as the years go by, the time you had to simply relax and talk gives way to the pressures of work or busy schedules. Before you know it, checking your e-mail on Saturday is more important than carving out a date night.

FamilyLife's Weekend to Remember® marriage conference is a chance to get away from the distractions of daily life. Cell phones are shut off. To-do lists are temporarily forgotten. It's a time to slow down and reconnect.

Our hotel-based conference is a warm, engaging gathering that's all about making progress, not placing blame. The time-tested content is presented in a mixture of lecture and individual project sessions. Our speakers will show you exactly how to pursue a marriage that really works through stories of their own breakthroughs and blunders.

Every couple drives away with a roadmap to a great marriage. In just one weekend, you will discover:

- God's purpose for bringing you together
- Your distinct roles as husband and wife
- How to resolve conflict and fight fair
- Secrets to putting sizzle in your sex life

If your marriage has been struggling lately, it's easy to forget what a good relationship feels like. FamilyLife's Weekend to Remember can help you bond again. It's an experience that has changed the lives of so many couples, and it can do the same for you. Whether you're on the brink, feeling challenged, or just wanting a better plan for the rest of your lives, we can help you make real progress.

For more than 30 years, we've helped people reach a turning point in their marriages. More than a million couples who wanted to take their marriages from just fine to fantastic have come to us to help make it happen. We want you to leave the conference with encouragement, hope, and practical tools to build your marriage and strengthen your legacy. That's why we call this conference a Weekend to Remember.
